

26 April 1973

MEMORANDUM FOR: D/OCI

SUBJECT: Preparation of a Speech by the DDCI

1. General Walters is scheduled to address the National Strategy Seminar at the Army War College on 6 June 1973 on "The World Situation". The talk should focus on "international situations which affect the security interests of the United States."

2. Please have a draft speech prepared for General Walters' review on 25 May. The text should address military, economic and political problems. Classification level is Secret. The text should be sufficient for about an hour. Thanks.
